

# ***BUILDING TRADITION AND PRIDE FROM THE FOUNDATION***

## **WHAT WE DO**

The WILDCAT YOUTH SPORTS PROGRAM was created to help kids get ready for sports, to play in a fun and competitive atmosphere and provide a basis for success for the Davenport North High School Sports teams.

## **OUR MISSION STATEMENT**

The Davenport Wildcats Youth Sports Program is dedicated to the development of young athletes in the Davenport North High School District. The program will provide opportunities for boys and girls to participate in multiple organized sports in a positive, caring, fun, and competitive learning environment.

### **What age should I start my child?**

Starting early is the best. Most programs start with third grade but may accept second grade students. But it is never too late to get started!!

### **What is the commitment?**

Generally teams will practice twice per week and competition is **LOCAL**. Many of the programs work directly with the coaching staffs and athletes at the high school level.

These programs provide a great opportunity to develop **WILDCAT PRIDE** and to develop chemistry with their future high school teammates early on in the sports career.
